Yeah! Hey what up girl, how you doin',
Here's a celebration you wanna talk about,
So all you need to do is put your bottles up,
And your glasses in the air!

(Chorus)

Let's make a toast.
We ain't never going back to being broke
Every day stay stacking up the dough
Let's make a toast (woaaah oh) (Let's make a toast)
Yeeeeeah, Let's make a toast
Let's make a toast
How she poppin' when she drop it down low
I just whisper in her ear [don't stop]
Let's make a toast (woaaah oh) (Let's make a toast)
Yeeeeeah
Let's make a toast

[Make A Toast Ft. Lil Wayne Lyrics On]

[Dolla]

We're getting paper like a billy goat
Remember being really broke?
You should see my safe, boy, that thing look like a
jewellery store
Money grow like chia pets, I just gotta get it wet
Stretch it out like spandex
We don't rent apartments
We gonn' buy the complex bein' broke is nonsense
I don't get the concept but understand the context
Money on my conscience money on my mind
\$100,000 on the watch
Who said you cant buy time?

(Chorus)

Let's make a toast.
We ain't never going back to being broke
Every day stay stacking up the dough
Let's make a toast (woaaah oh) (Let's make a toast)
Yeeeeeah, Let's make a toast

Let's make a toast
How she poppin' when she drop it down low
