Heart heart heart heart
La la la la

I feel so silly when I tell you
I gave you all I had
(La la la)
Seems so empty when I say that I love you
But now I can see you were not for me

Chorus
So give me back my heart
That's all I have to live for
Give me back my heart
That's all I had to give you
I know I'll never be in love
No I'll never be in love again

There were so many times you whispered
(I miss you so I miss you so)
You always said you cared
(La la la)
I never knew that you could be so far away
But now I can see you were not for me

Repeat chorus

I love you

Give me back my heart
That's all I have to live for
Give me back my heart
That's all I had to give you
Repeat

My heart my heart

Give me back my heart
That's all I have to live for
Give me back my heart
That's all I had to give you

My heart my heart

Angels are watching you walk in your sleep
Count the minutes that fly by the fences you leap
We were always together always the same
Now your gone
Repeat
