A Dudley / J Bernstein)

I used the same line a thousand times  
Never got me anywhere  
I threw it away called it a day  
Washed my hands and walked into

You baby  
I don't understand  
I don't understand  
Without you baby  
I don't understand  
Not at all (no no no)

Chorus

I'll never let you beat me at my own game  
Haven't we said goodbye before  
I know the face I couldn't keep up your pace  
Haven't we said goodbye before

I'm lost and confused battered and bruised  
Just the way I used to be  
I said that I cared no one was there  
Never knew I could until

You baby  
You're the only one  
You're the only one  
Without you baby  
You're the only one  
Not again (no no no)

Repeat chorus

I'm just mildly curious 'bout you baby  
If it's love then why'd you pick on me

You baby  
You baby (no no no)

Repeat chorus twice

Haven't we said goodbye before  
Repeat to fade
