John Lennon / Paul McCartney)

Oh yeh I tell ya something  
I think you'll understand  
When I say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

Oh please say to me  
You'll let me be your man  
Wo-oh please say to me  
You'll let me hold your hand  
I wanna hold your hand  
I wanna hold your hand

And when I tough you I fell happy inside  
It's such a feeling that my love  
I can't hide I can't hide I can't hide

Oh yeh I tell ya something  
I think you'll understand  
When I say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

And when I tough you I fell happy inside  
It's such a feeling that my love  
I can't hide I can't hide I can't hide

Oh yeh I'll tell ya something  
I think you'll understand  
Wo-oh I'll say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

Oh please  
I wanna hold your hand  
Oh please
