hellsent
it's hellsent
Bone and Twista
Layzie Bone and Twista
get fucked up with that
world wide
we up in this mothafucka
gonna go down like this
Chi Town
you with me now
world wide
fuck you mothafucka
yeah
recongize that real cousins
lets do this shit ya'll

REPEAT 2x
it's a thug world
we live in a thug world
its' a thug world
T-H-U-G

(chorus)
get ready for the midwest invasion we bringin 'em new
millenium soldiers
Layzie and Twista ya'll betta believe that we takin over
we move and make no money continue it's like he
gettin showed up
soon enough to be prepared for the thug world order

(Layzie Bone)
it'd be that element of surprise
that got ya puttin it around and all ya niggas ain't think
we get this raw
but fuck what you heard and believe what you saw
the nations of thugs is ready to pimp out
who the extras dips and clips box shoot it up
and nigga we dip out ready for combat on contact
midwest keep goin
we creepin on tha come up for years
heavily sedated with no future

ready to ride the endin is near we shed no tears
the midwest and link up we gonna get this paper with
smash
take a lap tryin to get us mad rollin in Benz's and Jag's
and take a picture picture
what the fuck is wrong with ya
Little Lay and Twista had to diss ya
fuck your girlfriend and pistol
I'm missed her (?) into a big 'ol nut
representin them saint tac nigga soldiers don't give a
fuck who get bust
who all my niggas talkin to G-Child
mackin and hustlin multiplied by Chi pimpin want me
the game up for the public and pen
hut 2-3-4 for the riders and the roll to place your boots
and macka-la
we bringin it thug world for real

(chorus) 2x

(Twista)

mothafuckas wanted to hear where he go
see and Layzie bringin on the dub back like we split a
big stoke
and we smokin big dro
to the gangstas hustlas and thugs killin niggas in the
drug dealas
ya'll betta feel us we put away the drama now we be the
midwest killas
you really wanna know all that bouncy god shit
the midwest is unified talk shit if you got the hardest
shit
like judo kick some shit for no longer outside of work or
outspoken
kickin that killa shit you never heard of screamin
bloody murda
Chi Cleveland selection
the millenium connection
flowin rapid like Tekken
if you rather hate then go select your weapon
put a hole in your head like dolphin
Layzie and Twista the mission was stalkin
bust at the bitches that be talkin
look got over the city like Christopher Walkin
mission is put 'em in coffins
though I kill to protect only cuz my idea
come off on the track ever since
thought I have been standin over see repent, stay bent
two of the dopest vocal recorders still slaughter so
brought up a quarter
to the gangstas hustlers and thug world order

get ready for the midwest invasion
we bringin 'em new millenium soldiers
Layzie and Twista ya'll betta believe that we takin over
we move and make no money continue it's like he
gettin showed up
soon enough to be prepared for the thug world order

(chorus) 3x

get ready for the midwest invasion
get ready for the midwest invasion
get ready for the midwest invasion
get ready for the midwest invasion
get ready for the midwest invasion
get ready for the midwest invasion
get ready for the midwest invasion
get ready for the mid
get ready for the mid

the nigga is hellsent
not hellsent
