New York city, and I'm out with the boys,  
on fortysecond street makin' some noise  
Another weekend and my baby's away  
temptations drivin' me insane  
Ain't makin' no promises I can't keep  
I've got a lady back home  
and she's waitin' there for me  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh  
Ain't makin' claims about being a saint  
human nature just tells me I ain't  
The thought of you'll make a blind man see  
hey little girl, look what you're doin' to me  
doin' to me  
Ain't makin' no promises I can't keep  
'cause I've got a lady back home  
and she's waiting there for me  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh  
In love, still in love  
oh-oh-oh  
Ain't makin' no promises I can't keep  
I've got a lady back home  
waitin' there for me, Ah  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh
