You're the one (you're the one)
Oooh, yeah
(Oooh, yeah, Oooh, yeah)
You're the one (you're the one)
(Irresistible)

When I look in through your eyes
(Eyes), Yeah, (Yeah)
I can't see the reason why (why, why)
Every time I see you smile
You know it turns me on
And you're always on my mind
When you're gone

[Chorus]
You're the one, irresistible
You the only one for me
You're the one, irresistible
You're the one I wanna see
You're the one
(You're the one, You're the one)
Oh, yeah yeah...

Keep you in this heart of mine
(Mine, mine)
Oooh... Be there till the end of time
(Time, time)
But I look in through your eyes
You know it turns me on
And you're always on my mind
When you're gone...

(~ hhh...)

[Chorus]
You're the one, irresistible
You the only one for me
You're the one, irresistible
You the one I wanna see
You're the one
(You're the one, You're the one)

So come on baby

Free talkers die, Iâ€™ll be your lie
And friend
(Friend, friend)
And when youâ€™re down
Iâ€™ll be around till the end
(till the end)

Yeah, yeah, yeahâ€¦...

But I look in through your eyes
You know it turns me on
And youâ€™re always on my mind
When youâ€™re gone

[Chorus]
Youâ€™re the one, irresistible
You the only one for me
Youâ€™re the one, irresistible
You the one I wanna see
Youâ€™re the one, irresistible, Baby
Youâ€™re the one, irresistible
Youâ€™re the one, (irresistible)
Youâ€™re the one, irresistible
Yeah, yeah, yeah, yeah, yeahâ€¦..
