To Bombay  
A travelling circus came  
They brought an intelegent elephant  
and Nellie was her name

One dark night  
she slipt her iron chain, and off she ran  
to Hindustan and was never seen again

ooooooooooooooooooooo...  
Nellie the elephant pack her trunk and  
said goodbye to the circus  
off she road with a trumpety trump  
trump trump trump

Nellie the elephant packed her trunk  
and trumbled off to the jungle  
off she road with a trumpety trump  
trump trump trump

Night by night she danced to the circus band  
When Nellie was leading the big parade she looked  
so proud and grand

No more tricks for Nellie to perform  
They taught her how to take a bow and she took  
to crowd by storm

ooooooooooooooooooooo...  
Nellie the elephant pack her trunk and  
said goodbye to the circus  
off she road with a trumpety trump  
trump trump trump

Nellie the elephant packed her trunk  
and trumbled off to the jungle  
off she road with a trumpety trump  
trump trump trump

The head of the heard was calling far far away  
they meet one night in silver light  
on the road to Mandaley

oooooooooooooooooooo...

Nellie the elephant pack her trunk and  
said goodbye to the circus  
off she road with a trumpety trump  
trump trump trump

Nellie the elephant packed her trunk  
and trumbled off to the jungle  
off she road with a trumpety trump  
trump trump trump
