Christmas without you  
White christmas and I?m  
blue  
Like fireworks with no fuse  
Christmas without  
you  
The fireplace keeps burning and my thoughts keep  
turning  
The pages of memories of time spent with  
you  
Old christmas songs we knew and used to make  
love to  
Make it hard to get used to  
Christmas without  
you  
Christmas without you  
White christmas and I?m  
blue  
I love you I miss you  
So sad but so true  
Christmas  
without you  
Like a mystery with no clues  
Like fireworks  
with no fuse  
Christmas without you  
The sweetest gift I  
know would be if the new snow  
Could fall on your  
footsteps on this christmas eve  
The most joyous  
christmas if luck could be with us  
Would be if saint  
nicholas brought you home to me  
Christmas without  
you  
White christmas and I?m blue  
I love you I miss you I  
need you  
So sad but so true  
Like a mystery with no  
clues  
Like fireworks with no fuse  
Christmas without  
you  
Repeat chorus
