Something in your eyes makes me want to lose myself
Makes me want to lost myself in your arms
There's something in your voice makes my heart beat
fast
Hope this feeling lasts
The rest of my life
If you knew how lonely my life has been
And how long Ive felt so low
If you knew how I wanted someone to come along
And change my life the way youve done

Chorus:

Feels like home to me
Feels like home to me
Feels like Im all the way back where I come from
Feels like home to me
Feels like home to me
Feels like Im all the way back where I belong

A window breaks down a long dark street
And a siren walls in the night
But Im alright cause I have you here with me
And I can almost see through the dark there's light

If you knew how much this moment means to me
And how long Ive waited for your touch
If you knew how happy you are making me
Ive never thought I'd love anyone so much

Repeat chorus
