Oh sugar pie, honey bunch
You know that i love you
I can't help myself
I love you and nobody else
In and out my life
You come and you go
Leaving just your picture behind
And i've kissed it a thousand times

When you snap your fingers or wink your eye
I come a running to you
Tied to you like a ball-and-chain
And there's nothing that i can do

Can't help myself
No, i can't help myself

Sugar pie, honey bunch
I'm weaker than a girl should be
I can't help myself
I'm a fool in love you see

I wanna tell you i don't love you
Tell you that we're through
And i've tried
But every time i see your face
I get all choked up inside

When i call your name
Boy it starts the flame
Burning in my heart
Tearin' it all apart
No matter how i try
My love i cannot hide

Sugar pie, honey bunch
You now that i'm weak for you
I can't help myself
I love you and nobody else

Ooh sugar pie honey bunch

I'll do anything you ask me to
I can't help myself
I want you and nobody else

Sugar pie, honey bunch
You know that i love you
I can't help myself
No no no, i can't help myself
