"I Took Him For Granted"

I once was blind But now I see I took him for granted
She took him from me I once had a love
But now now I have none
And I'm, I'm as blue as can be I treated him a-
wrong
And now I'm, I'm all alone I took him for
granted
She took him from me
Well if I had known then
Just what I know now I would've treated him so
differently
And if I, if I had known
Well then it could've
shown him more love
Than he'll ever see from her
I thought I had his love
In the palm of my hand
But I, I guess she showed me
And now I, I understand
Just how she, she got my man
I took him for granted
She took him from me
