You lie in gentle sleep beside me
I hear your warm and rhythmic breathing
I take your hand and hold it tightly
Listen, can you not hear our young hearts beating
Chorus:

I kiss the sleep from your eyes
Your smile is sweeter than the morning
And here it comes, can't you feel it, baby
Cant you feel it, here it comes
Feel it, feel it, fire, fire
Somethings burning, somethings burning
Somethings burning, and I think it's love

And now the sun is burning brightly
We lie in love so close together
And I get the feeling deep inside me
My love for you will burn forever

2nd chorus:

I cup my hands to touch your face
Once again I feel your fire
And here it comes, can't you feel it, baby
Cant you feel it, here it comes
Feel it, feel it, fire, fire
Somethings burning, somethings burning
Somethings burning, and I think it's love

I think it's love, I think it's love
I think it's love, I think it's love
Cant you feel, the fire keeps burning
Cant you feel, the fire keeps burning
Cant you feel, the fire keeps burning love
