If you ever get to Trinidad

Hela-di-ladi-lo

You should taste the rum they've got

Hela-di-ladi-lo.

They have got the limbo beat

Hela-di-ladi-lo.

It will get you off your feet

Hela-h ela-ho.

It's the sun and it's the rum which

Gets you in the mood for fun.

Moonlight dancing all night long

Singing to a limbo song.

Tell me

is there more you need

You won't find it anywhere.

We love Trinidad and the rum they've got

Hope you will like it to.

We love Trinidad - it's the place for you.

Oh

we love Trinidad

Hela-d i-ladi-lo

And the rum they've got

Hela-di-ladi-lo.

Oh

Island in the sun

Hela-d i-ladi-lo

Go and you'll have fun

Hela-hela-ho.

Watch a limbo show - it's the place to go

Dancing all night long.  
Where's the place they've got the rum?  
It's Trinidad - it's Trinidad.  
Where's the place with all the sun?  
It's Trinidad - Trinidad - Trinidad  
Where you'll have fun.  
I'm o. k. and you're o.k. if you dance  
The limbo every day.  
I never thought that I could dance so long  
But all that rum shore makes you strong.  
Come with us and please join in  
It's always hard when you begin.  
Join the limbo show  
And before you know  
You will steel the show.  
Oh  
we love Trinidad
