1st Couplet:

Gimme love, don't take it away from me  
'Cause you and I can live in perfect harmony  
Oh baby, oh baby, don't take it away from me  
I am tired of living all by myself  
It's time for love don't leave it laying on yourself  
Oh baby, oh baby, don't take it away from me

Chorus:

Love me, need me, wo-oh  
Love me just a little bit more  
Take me, hold me, wo-oh  
Love me like you loved me before  
Call me, and I'll be knocking on your door  
So love me just a little, love me just a little bit more

2nd Couplet:

Take my hand, and I will lead the way

Oh baby, oh baby, please let me lead the way  
Stay around, don't turn your back on me  
Before we know it'll always be a memory  
Oh baby, oh baby, don't turn your back on me

Chorus

Bridge:

I am tired of live without you  
I am tired of get away from you  
But what could I do  
It's not easy to  
Just keep on fighting like this

I'm totally hooked on you

Chorus 2x
