Well I dreamed I saw the knight in armor coming
Saying something about a king
There were peasants singing and drummers
drumming
And the archer split the tree

There was a fanfare blowing to the sun
That was floating on the breeze
Look at mother nature on the run
In the twenty-first century
Look at mother nature on the run
In the twenty-first century

I was lying in a burned out basement
With the full moon in my eyes
I was hoping for replacement
When the sun burst through the sky

There was a band playing in my head
And I felt like I could cry
I was thinking about what a friend had said
I was hoping it was a lie
Thinking about what a friend had said
I was hoping it was a lie

Well I dreamed I saw the silver spaceships flyin'
In the yellow haze of the sun
There was laughing, crying and colors flying
All around the chosen one

All in a dream, all in a dream, the loading had begun
Flying mother nature's silver seed to a new home in the
sun
They were flying mother nature's silver seed to a new
home
