Well, I dreamed I saw the knights in armor coming  
Saying something about a king  
There were peasants singing and drummers  
drumming  
And the archer split the tree

There was a fanfare blowing to the sun that was  
floating on the breeze  
Look at Mother Nature on the run in the twenty-first  
century  
Look at Mother Nature on the run in the twenty-first  
century

I was lying in a burned out basement  
With the full moon in my eyes  
I was hoping for replacement  
When the sun burst through the sky

There was a band playing in my head and I felt like I  
could cry  
I was thinking about what a friend had said I was  
hoping it was a lie  
Thinking about what a friend had said I was hoping it  
was a lie

Well, I dreamed I saw the silver spaceships flyin'  
In the yellow haze of the sun  
There was laughing, crying and colors flying  
All around the chosen one

All in a dream, all in a dream, the loading had begun  
Flying Mother Nature's silver seed to a new home in the  
sun  
They were flying Mother Nature's silver seed to a new  
home
