Mama, I remember what you told me
You said wait for love before you fall
But mama I am sorry
I guess, it's gonna be love after all

'Cause Mama when he holds me
The air is thick and sweet
He asked me if I'd come tonight
To hold him in his sleep

And I'm almost in love
I can feel myself fallin'
Yes, I'm almost in love
I can hear my heart callin'
'Cause I'm almost
Yes, I'm almost in love

Mama, I've grown into a woman
I been growing stronger day by day
Mama, you know about children
You raise them then they go away

Mama when he holds me
He thrills me through and through
So dry your eyes and teach me
How to say goodbye to you

'Cause I'm almost in love
I can feel myself fallin'
Yes, I'm almost in love
I can hear my heart callin'
'Cause I'm almost
Yes, I'm almost in love

Yes, I'm almost in love
I can feel myself fallin'
Yes, I'm almost in love
I can hear my heart callin'

Yes, I'm almost in love
I can feel myself fallin'
Yes, I'm almost in love

I can hear my heart callin'

'Cause I'm almost
Yes, I'm almost in love
