I don't wanna hear a love song  
I got on this aer'plane just to fly  
I know there's life below me  
But all that you can show me  
Is the prairie and the sky

I don't wanna hear a sad story  
Filled with heartbreak and desire  
The last time I felt like this  
I was in the wilderness  
And the canyon was on fire

And I stood on the mountain  
In the night and I watched it burn  
I watched it burn, God, I watched it burn

I would rock my soul  
In the bosom of Abraham  
I would hold my life  
In his saving grace

I would walk all the way  
From Boulder to Birmingham  
If I thought I could see  
Just see your face, oh

Well, you really got me this time, you got me this time  
And the hardest part is knowing that I survived  
And I've come to listen to the sounds of the trucks  
As they moved out on Highway 95

And pretending it's the ocean  
Coming down to wash me clear  
To wash me clear  
If you know what I mean

I would rock my soul  
In the bosom of Abraham  
I would hold my life  
In a saving grace

I would walk all the way

From Boulder to Birmingham  
If I thought I could see  
Just see your face

I would walk all the way  
From Boulder to Birmingham  
If I thought I could see  
Just see your face, ooh, ohh
