(Dolly Parton)

In a dream I was walkin' in a beautiful field  
I was gathering flowers at the foot of a hill  
When a bright light descended and it spread o'er the  
land  
Jesus stood on the mountain and He held out His hand

Then He came down from the mountain, headed down  
to the sea  
And the children strowed flowers in the path at His feet  
And He was filled with compassion and the beasts from  
the wild  
Came as gentle as lambs and they all walked at His  
side

There's a calm on the water, a hush in the crowd  
There's peace in the valley, there's a stillness about  
There's a light in the darkness, there's joy in His love  
Ain't that a wonderful feelin', let us lift Him up

Then He suddenly vanished from the crowd down  
below  
Reappeared on the mountain in a radiant glow  
He said your questions are many but the answer is love  
I'll draw all men unto me if I be lifted up

There's a calm on the water, a hush in the crowd  
There's peace in the valley, there's a stillness about  
There's a light in the darkness, there's joy in His love  
There is life everlasting, let us lift Him up

He said if I

Be lifted up  
He said if I be lifted up, what did he say  
He said if I  
Be lifted up  
He said if I be lifetd up

Let's lift Him higher and higher  
And higher and higher each day

Let's lift Him up  
He said if I  
Be lifted up  
Oh if I be lifted up

There's a calm on the water, a hush in the crowd  
There's peace in the valley, there's a stillness about  
There's a light in the darkness, and joy in His love  
It's a wonderful feelin', lift Him up

He said if I  
Be lifted up  
He said if I be lifted up, that's what he said  
He said if I  
Be lifted up  
If I be lifted up
