Now I, I don't hardly know you  
But I think, I could love you  
Crimson and Clover

I see you come walkin' my way  
Well, you're not gonna say  
Crimson and Clover  
Over and over

Yeah, sing it with me now  
Crimson and Clover  
Over and over  
Crimson and Clover  
Over and over

Crimson and Clover

I think, you're such a sweet thing  
I wanna do everything  
Such a beautiful feeling  
Crimson and Clover  
Sing it over and over

Crimson and Clover  
Over and over  
Crimson and Clover  
Over and over

Now, I don't hardly know you  
But I think, I could love you  
Crimson and Clover  
Over and over

Crimson and Clover  
Crimson and Clover  
Crimson and Clover  
Crimson and Clover

Crimson and Clover  
Over and over  
Crimson and Clover  
Over and over
