I can be right, I can be wrong  
My own beliefs are in my song  
The butcher, the baker, a drummer and then  
Makes no difference what group I'm in  
Cause I am everyday people, mmm

There is a blue one who can't accept a green one  
For living with a fat one who's trying to be a skinny one  
Different strokes for different folks  
And so on, and so on and scooby-dooby-doo

Ooh, sha, sha  
We got to live together

I am no better, and neither are you  
We are the same, whatever we do  
You love me, you hate me, you know me and then  
You can't figure out what bag I'm in

But I am everyday people, mmm

There is a long hair that doesn't like the short hair  
For being such a rich one that will not help the poor one  
Different strokes for different folks  
And so on and so on and scooby-dooby-doo

Ooh, sha, sha  
We got to live together

There is a yellow one that won't accept a black one  
That won't accept a red one that won't accept a white  
one  
Different strokes for different folks  
And so on, and so forth and scooby-dooby-doo

Ooh, sha, sha  
We got to live together  
Cause I am everyday people  
I am everyday people
