Familiar sounds tell me it's morning the night has been
so dark and long
Each night without you just gets longer
While this torch I still carry just burns stronger
I know I never will stop loving you my tears just can't
put out the flame
Or drown my hopes of your returning cause baby the
fire's still burning
[steel]
Wherever you are I hope you're happy although your
love for me has died
But if you ever need or want me I'll take you back any
time
I know I never will stop...

Yes baby the fire's still burning
