FRESH OUT OF FORGIVENESS

Writers Bill Owens, Gene Gill

Copyright 1960

Don't tell me you're sorry for thing you caused me
And from from now on you'll be true
And don't don't you ask me to forgive you again I'm
fresh out of forgiveness
for you
Now I, I gave you everything I knew how to give
Now I've done done everything you've ever asked me
to do
But even even a fool gets so tired being fool I'm fresh
out of forgiveness for

you
No I I can't I just can't I can't forgive you this time if I
did oh I know you
do
Well you're just too just too wrong and you hurt me hurt
me again
And I'm fresh out of forgiveness for you I'm fresh out
of forgiveness for you
