(Dolly Parton)

Hello God, are you out there?
Can you hear me, are you listenin' any more?
Hello God, if we're still on speakin' terms
Can you help me like before?
I have questioned your existence,
My resistance leaves me cold
Can you help me go the distance?
Hello God, hello, hello

This old world has gone to pieces
Can we fix it, is there time?
Hate and violence just increases
We're so selfish, cruel and blind
We fight and kill each other
In your name, defending you
Do you love some more than others?
We're so lost and confused

Hello God, are you out there?
Can you hear us, are you listenin' any more?
Hello God, if we're still on speakin' terms
Can you help us like before?
Oh, the free will you have given
We have made a mockery of

This is no way to be livin',
We're in great need of your love
Hello God

Hello God, can you grant us
Love enough to make amends
(Hello God) Is there still a chance
That we could start again
Hello God, we've learned our lesson
Dear God, don't let us go
More than ever
Hello God, hello, hello
Hello God, we really need you
We can't make it without you
(Hello God) We beseech you

In the name of all that's true
Hello God, please forgive us
For we know not what we do

Hello God, give us one more chance to prove ourselves
to you
Hello, God; hello, God
