It's you that
I run to
Whenever I need to
Darling, you console me
When trouble surrounds me
When bad times have found me
Just reach out your arms and hold me
Hold me
Hold me
Darling please take me
In your arms of safety
Reach out your arms
And hold me
Hold me
When my feelings are showing
When my tears are flowing
Just reach out
Reach out and hold me
Hold me
Hold me

You know all of my needs
You fill them completely
You know
That you control me

I depend on
Your lovin'
Without you
I'm nothin'
So reach out
Your arms and hold me
Hold me
Hold me

Darling please take me
In your arms of safety
Reach out you arms
And hold me
Hold me
When life is demanding
When I need understanding

Reach out
Reach out and hold me
Hold me
Hold me
