I get no kick from champagne  
Mere alcohol doesn't thrill me at all  
So tell me why should it be true?  
That I get a kick out of you

Some people go for cocaine  
I'm sure that if I took even one sniff  
That would bore me terrifically too  
Still I get a kick out of you

I get a kick every time I see you  
Standin' there before me  
I get a kick though it's clear to see you  
Obviously don't adore me

Oh, I get no kick in a plane  
Flyin' too high with some guy in the sky  
Is my idea of nothin' to do  
Still I get a kick out of you  
Yes, I get a kick out of you

I do
