(Dolly Parton)

There's a place in my mind that's suspended in time
When we were happy in love
Days warm and sweet, and the night so complete
Then life was perfect for us

It was just you and I, only love in our eyes
Not a sign of a tear on our face
No sorrow, no pain, only sunshine, no rain
Before something else took its place

Oh, I wanna go back there
Back to the time there was no doubt you cared
Back to the time love was tender and fair
I wanna go back there, I wanna go back there

Doop-do-do-do, doop-do-do-do-do
I wanna go back there
Doop-do-do-do, doop-do-do-do-do
I wanna go back there

Do you think if we tried we could put life aside
And see if we might make it back
I know in my heart what we had at the start
I believe it could still be like that

Oh, I wanna go back there
Away from these heartaches, these worried and cares
Back to the time love was tender and fair
I wanna go back there, I wanna go back there

Doop-do-do-do, doop-do-do-do-do
I wanna go back there (say you care)
I wanna go back, I wanna go back
I wanna go back there
Doop-do-do-do, doop-do-do-do-do
I wanna go back there
Doop-do-do-do, doop-do-do-do-do
I wanna go back there, I wanna go back there
