If I should stay  
Well I would only be in your way  
And so I'll go, and yet I know  
that I'll think of you  
each step of my way

And I will always love you  
I will always love you

Bitter-sweet memories  
That's all I have  
and all I'm taking with me  
Good-bye, oh, please don't cry  
Cause we both know that I'm not  
what you need

I will always love you  
I will always love you  
And I hope life, will treat you kind  
And I hope that you have all  
that you ever dreamed of  
Oh, I do wish you joy  
And I wish you happiness  
But above all this  
I wish you love

And I will always love you  
I will always love you

I, I will always, always love you  
I will always love you  
I will always love you  
I will always love you...
