INTRO

So many times in my life I think back on the days of my
childhood

Now there were some special times. But none were
ever as special as the
mem'ries of Christmas in the Smokey Mountains. Why I
can close my eyes
right now and I can still see that little old country
church just full of neighbors
and family and friends and I still hear a little country
preacher talkin' about
the birth of our Lord and Saviour Jesus Christ. And I
remember how I used
to love all those great old Christmas songs.
