It ain't fair for you to leave me cold and cryin' in the  
night  
It ain't fair to take your body from my arms and out of  
sight  
It ain't fair you've gone and left me where you kissed  
me I still burn  
Are you leaving for my loving this awful hurt and then  
return  
It ain't fair for you to leave me alone to face the  
morning light  
It ain't fair you took my body and then to say that it ain't  
right  
It ain't fair you've made me your woman a no longer a  
good girl in your eyes  
How come before you said you'd love me it ain't fair  
that it ain't right  
It just ain't fair that it ain't right
