(Dolly Parton)

Hello, are you free tonight
I like your looks, I love your smile
Could I use you for a while,
It's all wrong, but it's all right

The amber sunset glow has died
My needs are very much alive
Is it ok if I stop by
It's all wrong, but it's all right

It's all wrong, but it's all right
Just close your eyes and hold me tight
Tell me sexy lovin' lines
It's all wrong, but it's all right

It may be wrong if we make love
But I just need someone so much
And who knows it might last for life
It's all wrong, but it's all right

It's all wrong, but it's all right

Just close your eyes and hold me tight
Tell me sexy lovin' lines
It's all wrong, but it's all right

It's all wrong, but it's all right
Just close your eyes and fantasize
Tell me sexy lovin' lines
It's all wrong, but it's all right

It's all wrong, but it's all right
Just close your eyes and hold me tight
Tell me sexy lovin' lines
It's all wrong, but it's all right

It's all wrong, but it's all right
Just close your eyes and fantasize
Tell me sexy lovin' lines
It's all wrong, but it's all right
