I never get an answer
It seems like you're avoiding me
Can't take unhappy endings
So I just keep pretending
You'll see the light, eventually
Can't stop my heart from breakin'
Can't stop my hands from shakin'
Can't keep my eyes from cryin'
Can't believe your love is dyin'
Can't stop the rain from fallin'
No answer when I'm callin'
My love it's so confusin'
It's such a heartache losin' you
Feels like some tragic movie
Please say you'll come back to me
Dreamin' of you night after night
I'm having trouble sleepin'
You're memory is keepin'
These feelin's runnin' through my mind
Can't stop my heart from breakin'
Can't stop my hands from shakin'
Can't keep my eyes from cryin'
Can't believe your love is dyin'
Can't stop the rain from fallin'
No answer when I'm callin'
My love it's so confusin'
It's such a heartache losin' you
It's such a heartache; I don't know what to do
It's such a heartache and it's tearin' me in two
You took away the ring
I wanted more than anything
Can't stop my heart from breakin'
Can't stop my hands from shakin'
Can't keep my eyes from cryin'
Can't believe your love is dyin'
Can't stop the rain from fallin'
No answer when I'm callin'
My love it's so confusin'
It's such a heartache
Can't stop my heart from breakin'
Can't stop my hands from shakin'
Can't keep my eyes from cryin'

Can't believe your love is dyin'
Can't stop the rain from fallin'
No answer when I'm callin'
My love it's so confusin'
It's such a heartache
Can't stop my heart from breakin'
Can't stop my hands from shakin'
Can't keep my eyes from cryin'
