It's too late
You say you want me, and it's too late
Once my love for you was so great
But it's too late to love me now
It's too bad
You say you need me, and it's too bad
I know the feelin' and it's so sad
But it's too late to love me now
It's too late to love me now

Don't you know how hard I tried to hold out just for you?
Lovin' you from mem'ry day by day
Then someone came into my life, turned my dreams
around
He's takin' all the love you threw away

It's too late
You say you want me, and it's too late
Once my love for you was so great
But it's too late to love me now
It's too late to love me now

Don't you know how hard I tried to hold out just for you?
Lovin' you from mem'ry day by day
Then someone came into my life, turned my world
around
He's takin' all the love you threw away

It's too late
You say you need me, and it's too late
Once my love for you was so great
But it's too late to love me now
It's too late to love me now
