You packed in the morning
I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way
Now I miss you more
Than I missed you before
And now where I'll find comfort, God knows
'cause you left me
Just when I needed you most
Yes, you left me
Just when I needed you most
Now most every morning
I stare out the window
I think about where you might be
I've written you letters that I'd like to send
If you would just send one to me

'cause I need you more
Than I needed before
And now where I'll find comfort, God knows
'cause you left me

Just when I needed you most
Yes, you left me
Just when I needed you most

You packed in the morning
I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way

Now I love you more
Than I loved you before
And now where I'll find comfort, God knows
'cause you left me
Just when I needed you most
You left me
Just when I needed you most
Oh, you left me
Just when I needed you most
