You packed in the morning, I stared out the window  
And I struggled for something to say  
You left in the rain without closing the door  
I didn't stand in your way

Now I miss you more  
Than I missed you before  
And now where I'll find comfort, God knows

'Cause you left me  
Just when I needed you most  
Yes, you left me  
Just when I needed you most

Now most every morning I stare out the window  
I think about where you might be  
I've written you letters that I'd like to send  
If you would just send one to me

'Cause I need you more  
Than I needed before  
And now where I'll find comfort, God knows

'Cause you left me  
Just when I needed you most  
Yes, you left me  
Just when I needed you most

You packed in the morning, I stared out the window  
And I struggled for something to say  
You left in the rain without closing the door  
I didn't stand in your way

Now I love you more  
Than I loved you before  
And now where I'll find comfort, God knows

'Cause you left me  
Just when I needed you most  
You left me  
Just when I needed you most

Oh, you left me  
Just when I needed you most
