I'm tempted my darlin' to steal you away  
Don't let me cross over, stay out of my way  
'Cause you know that I love you and I'm not the stealin'  
kind  
But I'm faced with heartache here at love's cheating  
line  
Chorus:

Don't let me cross over love's cheating line  
You belong to another and can never be mine  
I know one step closer would be heaven divine  
Don't let me cross over love's cheating line

I've tried to forget you but what else can I do  
When your eyes keep saying that you want me too  
And I know if I lose you not a dream will I have left  
I don't want to cheat dear, but I can't help myself

Repeat Chorus
