(Dolly Parton)

Little sparrow, little sparrow
Precious fragile little thing
Little sparrow, little sparrow
Flies so high and feels no pain
All ye maidens heed my warning
Never trust the hearts of men
They will crush you like a sparrow
Leaving you to never mend
They will vow to always love you
Swear no love but yours will do
Then they'll leave you for another
Break your little heart in two

Little sparrow, little sparrow
Precious fragile little thing
Little sparrow, little sparrow
Flies so high and feels no pain

If I were a little sparrow
O'er these mountains I would fly
I would find him, I would find him
Look into his lying eyes
I would flutter all around him

On my little sparrow wings
I would ask him, I would ask him
Why he let me love in vain

I am not a little sparrow
I am just the broken dream
Of a cold false-hearted lover
And his evil cunning scheme

Little sparrow, little sparrow
Precious fragile little thing
Little sparrow, little sparrow
Flies so high and feels no pain

All ye maidens fair and tender
Never trust the hearts of men

They will crush you like a sparrow
Leaving you to never mend

Little sparrow, little sparrow
Oh the sorrow never ends
