Duet by Dolly Parton and Porter Wagoner

I wasn't looking for you when I found you I just turned
and I saw you there
And I was so lonely and lost when I found you and I
needed somebody to care
And it had been so long since I'd been happy or
needed or wanted or loved
And now that I've found you let my arms around you oh
love have mercy on us
Have mercy on us don't let it be wrong for there is
nothing to live all alone
And now that you're mine may love treat us kind oh
love have mercy on us

Oh what must we do with this love for each other is it
wrong to love one so much
I want to be with you and oh how I miss you oh love
have mercy on us
Have mercy on us...
