And so you have come back to me
And say the old loves
growing yet
You've tried through all these weary
years
You've tried so vainly to forget
Chorus: Oh no, I
cannot take your hand
God never gives us back our
youth
The loving heart you slighted then
Was yours, my
friend, in perfect truth
Come close and let me see your
face
Your raven hair is tinged with snow
Oh, yes, it is the
same dear face I loved so many years ago
Repeat
chorus
Farewell, I think I love you yet
As friend to friend,
God bless you dear
And guide you through these weary
years
To where the skies are always clear
Repeat
chorus
