If you've been wonderin'
What I'm gonna do
While you are sleepin'
Am I sleepin' too

Well, I'm just sittin' here lovin' you
Close my eyes an' lovin' you
I'm just sittin' back
Sittin' here lovin' you

I have been wonderin'
Just what I would do
If I weren't sleepin'
Had I not found you

Well, I'd be outside findin' you
I'd be walkin' on the avenue findin' you
Well, I'm just sittin' back
Sittin' here lovin' you

Now the reason that you never see me runnin' 'round
Fingers on my forehead couldn't calm me down
An' he can't even get me up and on my feet
When I've got to take care of some business on the
street

I have been walkin'
All my streets alone
But I won't keep walkin'
To keep from goin' home

I couldn't quite barely conceive of you
Now I can't conceive of ever leavin' you
Oh, an' I'm just sittin' back
Sittin' here lovin' you

If you've been wonderin'
What I'm gonna do
While you are sleepin'
Am I sleepin' too

Well, I just sittin' here lovin' you

I just close my eyes an' lovin' you
Oh, an' I'm just sittin' back
Sittin' here lovin' you
