Sleigh bells ring are you listening in the lane snow is
glistening

A beautiful sight we're happy tonight walking in the
winter wonderland

Gone away is the bluebird here to stay is a newbird
He sings a love song as he goes alone walking in the
winter wonderland

In the meadow we can build the snowman and pretend
that he is Parson Brown

He'll say are you merry we'll say no man but you can do
the job when you're in town

Later on we'll conspire as we dream by the fire
The face on the frame the plans that we made walking
in the winter wonderland

Just hear those sleigh bells jingleing ring ting tingleing
too

Come on it's lovely weather for a sleigh ride together
with you

Outside the snow is falling and friends are calling you
hoo

Come on it's lovely weather for a sleigh ride together
with you

In the meadow we can build the snowman...

The face on the frame the plans that we made walking
in the winter wonderland
