I've been through hell and half of Louisiana  
Lookin' for a man like you  
I know you could have any woman you want  
And I know you've had a few  
I know I've got some stiff competition  
They ain't got nothin' on me  
'cause I've got something that you've been missin'  
I practice what I preach

Chorus:

'cause I wanna be your lover  
I wanna be your friend  
And I wanna be your full-time woman  
Closer than your kin  
I wanna be your satisfaction  
Be your number one  
And just when you think I can't love you any better  
Well, I have just begun  
'cause there's more where that came from  
There's more where that came from

And I want your clothes in my closet  
My name on your mail  
And I want my love to be your faucet  
Drinkin' from an endless well  
I want your kids to call me mama  
I want you to call me hun  
I wanna be the one you love and honor  
When it's all been said and done

Chorus:

'cause I wanna be your lover  
I wanna be your friend  
  
And I wanna be your full-time woman  
Closer than your kin  
I wanna be your satisfaction  
Be your number one  
And just when you think I can't love you any better  
Well, I have just begun  
'cause there's more where that came from

That's right, there's more where that came from

2nd chorus:

Oh, I wanna be your lover  
I wanna be your friend  
I wanna be your full-time woman  
I'm gonna get under your skin  
'cause I wanna be your satisfaction  
Be your number one  
And just when you think I can't love you any better  
Well, I have just begun  
There's more where that came from  
That's right, there's more where that came from

Yes, I wanna be your full-time woman  
I wanna be that, I wanna be that  
Oh, I wanna be your lover, lover, lover  
I wanna be that, I wanna be that  
And I wanna be your satisfaction  
I wanna be that, I wanna be that
