No mistletoe for me when Santa takes flight
left all alone on Christmas Eve night
someone has to do it clean up this big mess Chorus
but, it really puts Mrs Claus to the test
Where are my presents? Hey, what about me?
I could do this Santa thing its easy to see

Ho, ho, ho, I'm as jolly as St. Nick
but, lately all this fuss is making me sick
so give me the reins, lets start a new tradition Verse 1
Mrs Claus left Santa working in the kitchen
ho, ho, ho, I'm as jolly as St. Nick
I'm quicker, I'm cuter and I know all the tricks
pleeease... I can lay a finger on the side of my nose
ho, ho, ho, how easy up the chimney I rose

No mistletoe for me when Santa takes flight
left all alone on Christmas Eve night
someone has to do it clean up this big mess Chorus
but, it really puts Mrs Claus to the test
Where are my presents? Hey... what about me?
I need a spa treatment its easy to see

Ho, ho, ho, the reindeer treat me the same
I have them well trained they call me by name
now Dasher- he whistles when I climb in the sleigh
I 'm on to his tricks of wanting more hay Verse2
before delivering toys we stop to Christmas shop
buying presents for me sure beats pushing a mop
poor Dancer's sore back I will give him a break
ho, ho, ho, how much more of Santa can we take!

No mistletoe for me when Santa takes flight
left all alone on Christmas Eve night
someone has to do it clean up this big mess Chorus
but, it really puts Mrs Claus to the test
Where are my presents? Hey... what about me?

I could do this Santa thing it's easy to see...

Santa.... I have more clicks on facebook, now..clean up

this mess and give me the reins..RUDOLPH!! (spoken
with vigor)!!
