The truth is too painful  
This moment too real  
Saying good-bye  
But loving you still  
Too late to start over  
We've tried that before  
And I just don't have it in me  
To try anymore  
Chorus:

But I know I'll miss you  
And I know I'll cry  
I know you loved me  
And I know you've tried  
It's the hardest thing  
I'll ever do in my life  
But I know no good way  
Of saying good-bye

2nd chorus:

I know I'll miss you  
And I know I'll cry  
I know you loved me  
And I know I'll ask why  
I know I'll have moments  
When I'll want to die  
But I know no good way  
Of saying good-bye

Tag:

And the longest night  
I'll ever spend will be tonight  
'cause I know no good way of saying
