### "No Good Way Of Saying Goodbye"

The truth is too painful this moment too real  
Saying goodbye but loving you still  
Too late to start over we've tried that before  
And I just don't have it in me to try anymore

But I know I'll miss you and I know I'll cry  
I know you loved me and I know you've tried  
It's the hardest thing I'll ever do in my life  
But I know no good way of saying goodbye  
[ piano ]  
I know I'll miss you and I know I'll cry  
I know you loved me and I know I'll ask why  
I know I'll have moments when I'll want to die  
But I know no good way of saying goodbye  
And the longest night I'll ever spend will be tonight  
Cause I know no good way of saying goodbye goodbye
