(Dolly Parton)

Once upon a memory  
I kissed lips as sweet as honey  
And lived in Heaven with an angel  
For a little while  
I knew love sweet and tender  
In a world of perfect splendor  
Once upon a memory  
Before he said goodbye

Once upon a memory  
In Never-Neverland  
I had a love I know I'll  
Never ever have again

A love like those  
You read in fairy tales  
Filled with joy and laughter

Oh, but he ended it  
And it broke my heart  
And I've cried forever-after

Once upon a memory  
I knew love beyond compare

Oh, then his sweet lips

Lost their sweetness  
And all that Heaven in his eyes  
Turned into a cold and distant stare

Gone is the love, sweet and tender  
A world of heartache knows no splendor  
Oh, but once, once upon a memory  
I knew love beyond compare

Yes, once upon a memory  
In Never-Neverland  
I had a love I know I'll  
Never ever have again

A love like those  
You read in fairy tales  
Filled with joy and laughter  
But he ended it  
And it broke my heart  
And I've cried forever-after

Oh, but once, once upon a memory  
I knew love beyond compare  
That was once upon a memory
