Put it off until tomorrow  
Wo-wo  
You've hurt me enough today  
You say our love is over  
That you have found another  
You say you're going away

But leave me tomorrow  
Wo-wo  
You've hurt me enough today

You've hurt me enough today  
I can't believe the words you say  
But I must accept the fact  
You won't be coming back

Oh stay  
Stay just one more day  
Loneliness isn't far away

Put it off until tomorrow  
Wo-wo  
You've hurt me enough today  
Put it off until tomorrow  
Wo-wo  
You've hurt me enough today
