Put it off until tomorrow  
Oh, oh, you've hurt me enough today

You say our love is over  
You say you've found another  
Now you're saying you're going away  
Put it off until tomorrow  
Oh, oh, you've hurt me enough today

You've hurt me enough today  
I can't believe the words you say  
But I must accept the fact  
You won't be coming back

Oh, stay, stay just one more day  
Loneliness isn't far away  
Put it off until tomorrow  
Oh, oh, you've hurt me enough today  
Just put it off until tomorrow  
Oh, oh, you've hurt me enough today
