Send me the pillow that you dream on
Don't you know that I still care for you
Send me the pillow that you dream on
So darling I can dream on it too

Each night while I'm sleeping oh so lonely
I pray that time will let our dreams come true
Send me the pillow that you dream on
So darling I can dream on it too

Send me the pillow, send me the pillow

Each night when I sleep I dream about you

And wish that I was dreamin' next to you
Send me the pillow that you dream on
So darling I can dream on it too

Send me the pillow that you dream on
So darling I can dream on it too

Send me the pillow you dream on
Send me the pillow, send me the pillow

Send me, send me, send me the pillow that you dream
on
Send me the pillow, send me the pillow
